

Advanced Dermatology Care: Surgical Testimonials

"I was seen for a cancer lesion on my face right next to lip line. Results: Looks Wonderful. Dr. O.J. Rustad, as well as his staff are the best. They all made me feel as though what I was feeling mattered and assured me I would be fine. I am fine. It was a wonderful experience for a clinic setting. The best I have ever encountered."

Karen N., *Vadnais Heights, MN*

"What could have been a bad experience-wasn't! Tressa was more than kind and gentle as she removed several keratoses from my face and back. She is a professional to be proud of. I can and will recommend her to everyone. Thank you Thank you Thank you"

Toni C., *Vadnais Heights*

"Not very often do you find a doctor of Dr. O. J. Rustad's caliber. He is not only a highly skilled MOHS surgeon, he is also a very compassionate and caring individual. You are definitely in the best hands when he is your doctor."

Janet E., *Shoreview*

"Dr OJ Rustad has been dedicated and sincere in his work. I have been seeing the doctor for over 20 years. I have followed him from city to city in Minnesota. I would fly to another state to be treated by him and his staff."

Sue M., *Minnetonka*

"Dr. OJ Rustad did my surgery for removing my skin cancer, and you can hardly even see my scar now. My cancer is gone without my face being disfigured at all."

Ralph L., *White Bear Lake*

"Dr. Rustad MD did a great job on removing a cyst that was visible on my neck 14 months ago-great job. The staff was pleasant-efficient. Early appointments are great."

Craig P., *North Oaks*

"I returned for a follow up on my successful removal of basal carcinoma cancer. Dr. OJ Rustad agreed that it had healed properly. Never have I been in a clinic where a doctor takes the time to share concern for me before. I would and have recommended him to others. The staff is friendly and fantastic!"

Coralee B., *North Branch*

"When I had my Mohs Surgery the providers were all so comforting and wonderful, so good to me and my family. Very professional and answered all my questions. The staff made me feel like I was important. They were very kind and wanted the best outcome for me. The doctor and the nurses interacted so well with each other."

Roberta M., *Bayport*

"It was a pleasant experience, like the staff has always been. I would like to relate back to 2005 when I had my 3 surgeries on my head. All the staff was great, especially the ones I had the most contact with, Dr. Rustad, Chris and Cindy."

Martin T., *Roseville*

"Remarkable procedure and everyone who has seen it said how good it was. The surgery team created a great surgical atmosphere, talking with me the whole time so I didn't even know it was completed."

Hugh C., *Roseville*

"I was a little scared of the surgery, but your staff went that extra mile and made the experience less frightening. I like your staff. They always smile, reassure and listen to you. They are the best!"

Vicki T., *Little Canada*
